INTERNSHIP EXPERIENCE

HIIP Summer Insurance Brokerage Intern — June 2025 – August 2025
HUB International, Chicago, IL

- Prepared Certificates of Insurance (COIs), renewal summaries, and policy comparisons for middle-market clients, gaining exposure to real accounts, developing knowledge of risk assessment, and policy structuring
- Designed an AI-powered underwriting tool proposal for the VIU by HUB platform and presented it to executives, providing data-driven and actionable recommendations to improve operational efficiency
- Organized a HUB Gives donation drive benefiting La Casa Norte, engaging the entire Chicago office to collect high-need items for local communities and the homeless

WORK EXPERIENCE

Server — June 2024 – August 2025
Medinah Country Club, Medinah, IL

- Delivered high-quality guest experience in a high-pressure, upscale environment, honing client relationship management and communication skills
- Led and motivated a team of employees to achieve exceptional customer service and maintain store standards, ensuring efficient operations and a positive guest experience during each shift

Student Clerk — November 2023 – February 2026
Neurosurgery Clinic, The University of Iowa Hospitals & Clinics, Iowa City, IA

- Carried out administrative tasks including patient check-in/check-out, scheduling referrals, managing electronic medical records via Epic, and handling billing and workers compensation documentation
- Assisted with pre-operation preparation and billing documentation, helping physicians and administrative staff to ensure regulatory compliance and a positive patient experience

COLLEGE ACTIVITIES & LEADERSHIP

Member, Kappa Alpha Theta Sorority — February 2023 – Present

- Enhanced membership recruitment by building relationships with prospective members and assisting committees in executing targeted engagement strategies

Member, Tippie Students for Service — January 2024 – Present

- Contributed to community initiatives by volunteering at local events and partnering with student organizations to support philanthropic causes
